**El Monte, Calif. – November 1, 2011** – This holiday season [Canfo Natural Products](#) gives consumers two great reasons to celebrate with the launch of FlushMe® and EyeCare™. These two premium herbal formulas are part of a line of [100-percent natural supplements](#) that enhance your state of well-being by carefully blending state-of-the-art science and [eco-friendly manufacturing processes](#) with proven, centuries-old formulas. All Canfo products are fast-acting, effective, and time-tested formulas comprised of the finest quality, pesticide-free, wild-crafted, hand-picked herbs. All products are non-GMO, organic, vegan\*\* and gluten-free.

**Canfo FlushMe®** is a 2-day quick, efficient, and superior cleanse formula that will leave you feeling lighter and more energetic. This time-tested, safe, and effective natural body cleanse and detox is a proprietary blend of herbal extracts formulated to support the healthy cleansing and filtering functions of the liver, kidneys, colon, pancreas, spleen, and skin.\* The key to FlushMe's effective formula lies in its ability to cleanse the blood.\* By improving the blood quality, FlushMe, in turn, cleanses the organs circulated by the blood.\*

**Canfo EyeCare™** is the “clear” choice for the educated consumer and is designed to naturally address eyestrain for regular computer users and supports overall eye health and function.\*

The liver is believed to nourish and moisten the eyes. When the liver is deficient in nutrients, common problems include blurry vision, myopia, “floaters” in the eyes, color blindness, or dry eyes. EyeCare focuses on the liver, providing it the nutrients it needs for overall liver health and wellness.\*
